AGENDA

- **MAIN PROBLEMS**
- **ITALIAN BACKGROUND**
- **MAIN SOLUTIONS**
- **FUTURE ACTION PLAN**

MAIN PROBLEMS

- **ITALY DOES NOT HAVE UNISON/UNISEC**
- **LACK of COOPERATION** between italian universities
- **LACK of COOPERATION** between several universities organizations that participate at competitions in the space field
- **LACK of KNOWLEDGE** about UNISEC/UNISON
- **INVOLVING STUDENTS** from different italian universities in UNISON

BACKGROUND

- Italy has just sent the proposal to join UNISEC and it is waiting for the replay from UNISEC steering committee
- Big competition between the italian universities involved in space activities and projects
- Too many organizations composed by university students involved in space project (i.e. CANSAT competitions)
- Italian university focuses more on theoretical knowledge and less on practical knowledge

MAIN SOLUTIONS

- **SET UP** of UNISEC/UNISON in Italy
- **ENCOURAGE COOPERATION** between italian universities
- **INVITE** universities organizations that participate at competitions in the space field **TO JOIN UNISON**
- **OUTREACH PROGRAMME** during University classes about UNISEC/UNISON

FUTURE ACTION PLAN

- Personal connection with students of other italian universities in order to propose them to cooperate
- Preliminary discussion between students to identify field of interests for working groups
- Set up of Working groups composed by students from different italian university
- Partecipation at 4th Mission Idea Contest and next UNISEC Global Meeting in Turkey
