

# Sponsorship Program

for

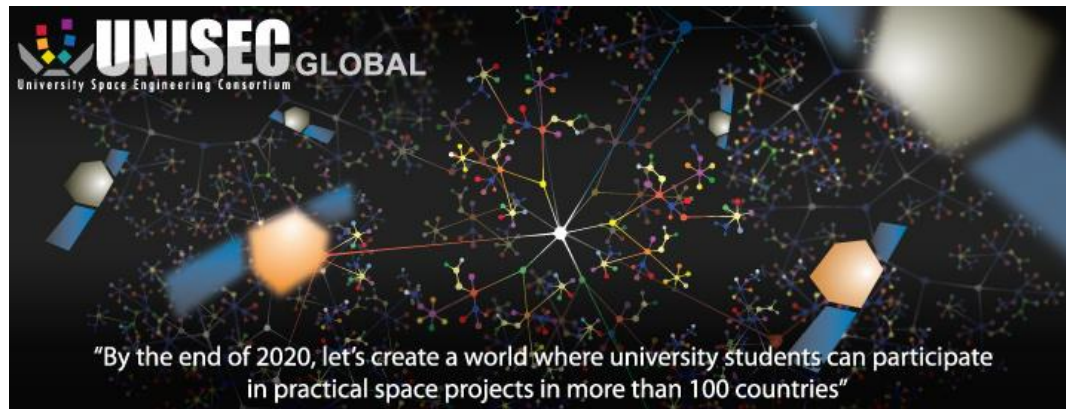

## 6<sup>th</sup> UNISEC-Global Meeting

in collaboration with

### International Space University (ISU)

Strasbourg, France

November 19 (Mon)- 21(Wed)

September 2018

UNISEC-Global

# Meeting Overview

- Venue: International Space University,  
Strasbourg, France
- Dates: 19-21, November, 2018
- Program:
  - Nov 19 (Mon) Opening Ceremony, Sponsor Presentation, Mission Idea Contest, Reception
  - Nov 20 (Tue) Special Lecture, Group Discussion, Local Chapter Report, ISU Gala Dinner
  - Nov 21 (Wed) Special Lecture, Student session, Local Chapter Report

# Venue: ISU, Strasbourg, France

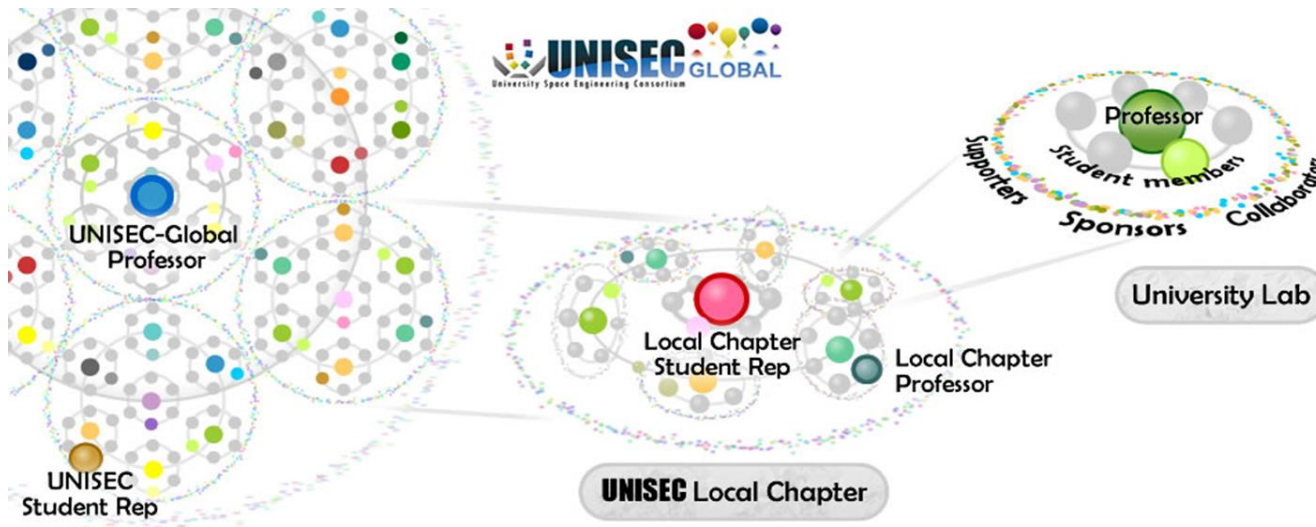

# Merits of sponsors

- Increase recognition in worldwide network through ISU and UNISEC-Global
- Promotion of your products/services
- Recruiting opportunity of promising participants
  - 20 Student representatives of UNISEC-Global
  - 10 Finalists of Mission Idea Contest
  - 50 Students of ISU-Master Space Studies Course
- Acknowledgement as sponsors by putting your logo in the website, program and by words.
- Opportunities to make presentation or speech in front of well-known experts as well as students and young professionals.

# What is UNISEC-Global?

- **UNISEC-Global** is an **international nonprofit, non-government organization**, consisting of local-chapters across the world.
- Since its **establishment in November 2013**, it has provided an annual forum, training programs, competitions to facilitate practical space projects at university level.
- In 2017, it was accepted as **permanent observer by UNCOPUOS**.
- Its **primary objective** is to help create a world where space science and technology is used by individuals and institutions in every country, rich or poor for peaceful purposes and for the benefit of humankind.

UNISEC stands for  
University Space  
Engineering  
Consortium

# UNISEC Points of Contact (POCs) Local Chapters (LCs)

POC in 47 regions: Algeria, Argentina, **Bangladesh**, Belarus, Bolivia, Brazil, **Bulgaria**, Canada, Chile, Costa Rica, **Egypt**, **Germany**, Ghana, Guatemala, India, Indonesia, **Italy**, **Japan**, Kenya, **Lithuania**, Malaysia, **Mexico**, **Mongolia**, Morocco, Nepal, New Zealand, **Nigeria**, Oman, **Peru**, the Philippines, Saudi Arabia, Singapore, **Samara**, Slovenia, South Korea, Spain, **South Africa/Angola/Namibia**, Tainan-city, Thailand, **Tunisia**, **Turkey**, Ukraine, USA and Vietnam

15 Local Chapters and  
1 Association of Local  
Chapters have been  
acknowledged.

(Local Chapters are written in Red)

# What is ISU?

## International Space University (ISU):

- Not-for-profit institution **dedicated to the development of space for peaceful purposes.**
- Based in **Strasbourg**, France.
- Chancellor – **Buzz Aldrin** (previously Arthur C Clarke, Jean-Jacques Dordain).
- Global faculty - an **international collection of experts in technical and non-technical space-related fields** (astronauts, space agency leaders, space engineers, scientists, managers, lawyers, policy experts, etc).
- ISU programs
  - MSc in Space Studies (MSS)
  - Space Studies Program (SSP)
  - Southern Hemisphere Summer Space Studies Program (SH-SSP)
  - Executive Space Course (ESC)

# ISU Educational Philosophy

## • ISU '3Is':

- Three aspects of ISU are key to success in meeting the present and future challenges of international space cooperation:

- **Interdisciplinary**
- **International**
- **Intercultural**

## • ISU disciplines

- 3Is Space
- Space Engineering
- Space Sciences
- Human Performance in Space
- Space Applications
- Space Management and Business
- Space Policy, Economics and Law
- Space Humanities

ISU students, faculty and visiting lecturers are drawn from a broad range of backgrounds, providing a rich environment in which to implement this **3Is** educational philosophy.

**More than 4400 ISU alumni come from over 105 countries.**

# The 6<sup>th</sup> UNISEC-Global Meeting Sponsorship Program

Category	Donation level	Merits	Exemption from payment of Registration Fee
Diamond	No limitation	Acknowledgement as diamond sponsor	Up to 5 people
Platinum	5,000 euro	Acknowledgement as platinum sponsor	Up to 5 people
Gold	3,000 euro	Acknowledgement as gold sponsor	Up to 3 people
Silver	2, 000 euro	Acknowledgement as silver sponsor	Up to 2 people

Note: Custom made program would be possible. Tax not included.

# Opportunity of Exhibition

- Period: 19 (Mon)-21 (Wed), November, 2018
- Venue: ISU, Strasbourg, France
- Estimated Number of Participants: about 200
- Fee: 1,000€/booth
- Free registration for one person
- Listing of Exhibitors in the Program
- Logo on the website
- Presentation opportunity
- Contact: [secretariat@unisec-global.org](mailto:secretariat@unisec-global.org)

# UNISEC-Global Meeting (Nov19-21)

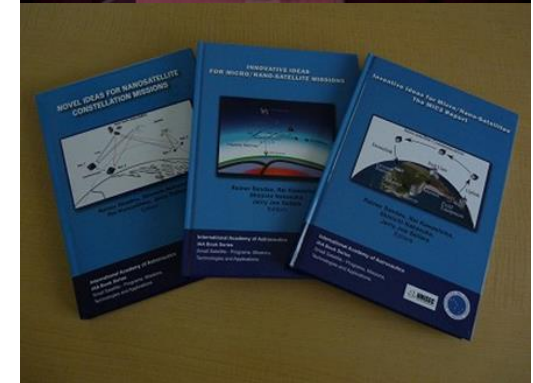

- The UNISEC-Global Meeting is an annual gathering to expand the system of university consortium beyond Japan which intends to promote practical space projects at university level.
- At present, 15 local chapters have been acknowledged. The UNISEC-Global aims to establish a world community of universities which have practical space engineering curriculum. Its target is to let local chapters of 100 around the world join the community by 2020.
- The meeting includes Local Chapter activities report, Group discussion, Student Session and Acknowledgement of new local chapter.

# 5<sup>th</sup> Mission Idea Contest for Micro/Nano-Satellite Utilization

- This a contest to propose new applications of Micro/Nano-Satellite with less than 50kg in weight.
- Required to satisfy any of SDGs.
- Since the 1<sup>st</sup> Contest as part of the “Hodoyoshi Project in 2011, the Contest has been held 6 times, including 2 pre-workshops.
- The four publications have been made as the IAA book series.
- Regional coordinators of 40 regions around the world.

SUSTAINABLE  
DEVELOPMENT GOALS  
17 GOALS TO TRANSFORM OUR WORLD

<http://www.spacemic.net>

# Vision 2030-ALL

*“By the end of 2030, let’s create a world where university students can participate in practical space projects in all countries.”*

**Please join and enjoy our worldwide network!**
